## Maxi, Midi and Mini

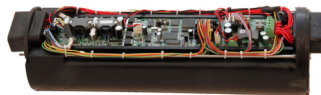

KONGSBERG

### Replacement of chassis with UTB

When the chassis with UTB is sent to the customer it contains no Serial Number and is labelled “Must be configured by KM certified personnel”. It is important that the chassis with UTB is replaced by KM certified personnel to make sure the correct Serial Number is added when the chassis is replaced.

It is important to follow the above instructions to comply with KM warranty.

**cNODE Midi item number:**  
354043

*cNODE Midi chassis with UTB*

**cNODE Mini item number:**  
329992

*cNODE Mini chassis with UTB*
