

KONGSBERG

END OF LIFE NOTIFICIATION

To Kongsberg Maritime Affiliate Companies, Representatives and Valued Customers,

Please distribute this bulletin to all relevant personnel within your organisation.

Effective May, 2017 the OE10-102 pan and tilt unit is to be moved from the utilisation to maintenance* phase of the products lifecycle.

The OE10-102 pan and tilt unit has been superseded by the OE10-104 pan and tilt unit.

The OE10-104 pan and tilt unit retains all the features of the OE10-102 pan and tilt unit.

Kongsberg Maritime's "Standard Camera Products" price list will be updated upon the next annual release to reflect these changes, the updated version will be available by June, 2017 in the Camera Representative's area of the company website.

Where component availability allows, spare part sales and technical support will be provided until May End 2022; for existing customers of the OE10-102 pan and tilt unit.

Should you have any questions in relation to this notification please do not hesitate to contact Kongsberg Maritime Ltd.'s Sales Department.

* During the maintenance phase of the product lifecycle, the item is no longer sold but is actively serviced and supported. No functionality is added to the product and only critical errors are corrected. Spare parts are supplied as required.
